

GIAN MARCO PALAMARA

PARTICIPATION AT INTERNATIONAL CONFERENCES

WBF, World Biodiversity Forum of Davos <i>Oral Presentation:</i> Novel perspectives on consumer resource interaction	June 2024 Davos, Switzerland
WBF, World Biodiversity Forum of Davos <i>Poster Presentation:</i> Stochastic processes in landscape ecology	June 2024 Davos, Switzerland
SMEEB, Stochastic Models in Ecology and Evolutionary Biology <u>Invited Talk:</u> Integrated modelling for integrative ecology.	May 2024 L'Aquila, Italy
INTP, Istituto Natura e Teoria dos Pireneus Summer School on ecological theory, <u>Invited Speaker and Instructor</u>	May 2024 Surba, France
NETSCIX, International Conference on Network Science <i>Oral Presentation:</i> Stochastic processes in ecology: from food webs to landscapes	January 2024 Venice, Italy
ECEM, European Confernce on Ecological Modelling <u>Organising Session:</u> <i>Functional Responses: From Theory to Practice.</i>	September 2023 Leipzig, Germany
Gfö, Annual Meeting of the Ecological society of Germany Austria and Switzerland <i>Oral Presentation:</i> Investigating the effect of pesticides on Daphnia clonal populations.	September 2023 Leipzig, Germany
Max Planck Institute for Evolutionary Biology, <i>Workshop, Microbial Community Ecology: Bridging Theory and Observations,</i> <i>Oral Presentation:</i> The implicit assumptions of functional responses.	July 2023 Plön, Germany
SETAC Annual Meeting, Society of Environmental Toxicology and Chemistry, <i>Poster Presentation:</i> Investigating the effect of pesticides on Daphnia clonal populations.	May 2023 Dublin, Ireland
SETAC Annual Meeting, Society of Environmental Toxicology and Chemistry, <i>Oral Presentation:</i> Integrated modelling to assess pesticide effects on clonal populations.	May 2023 Dublin, Ireland
ESA Ecological Society of America Annual Meeting, <i>Oral Presentation:</i> Functional responses: Implicit assumptions and their multi-species extensions.	August 2022 Montreal, Canada
MMEE 2022 Mathematical Models in Ecology and Evolution, <i>Oral Presentation:</i> Functional responses: From individual processes to feeding experiments.	July 2022 Reading, UK
SMEEB Stochastic Models and Experiments in Ecology and Biology, <i>Oral Presentation:</i> The stochastic nature of functional responses.	June 2021 Venice, Italy
World Biodiversity Forum, Workshop, Species Interactions: From Theory to Practice, <i>Invited Talk:</i> Modelling stochastic population and community dynamics.	February 2020 Davos, Switzerland

World Biodiversity Forum, Poster Presentation: A general framework to integrate stochasticity into models of aquatic populations.	February 2020 Davos, Switzerland
BES British Ecological Society Annual Meeting, Oral Presentation: Inferring population dynamics using stochastic age structured population models.	December 2019 Belfast, UK
MMEE 2019 Mathematical Models in Ecology and Evolution, Oral Presentation: Multi-model Bayesian inference for age structured stochastic population models.	July 2019 Lyon, France
COMEC International Conference in Community Ecology, <i>Oral Presentation:</i> Metacommunity connectivity dynamics.	June 2019 Bologna, Italy
Mediterranean Scientific Meetings: Physics and Ecology, Challenges at the Frontier, <i>Oral Presentation:</i> A stochastic age structured population model to quantify sublethal effects of pesticides on <i>Daphnia</i> clonal populations.	October 2018 Menorca, Spain
SMEEB Stochastic Models in Ecology and Evolutionary Biology, <i>Oral Presentation:</i> Metacommunities in dynamic landscapes.	April 2018 Venice, Italy
ICCB International Conference for Conservation Biology, <i>Oral Presentation:</i> Predicting the establishment of introduced species.	August 2017 Cartagena, Colombia
URPP Conference on Global Change and Biodiversity, <i>Oral Presentation:</i> Scaling biodiversity.	August 2016 Ascona, Switzerland.
“Ecology at the Interface” conference, Oral Presentation: The interacting effects of parameter uncertainty and demographic stochasticity on the establishment of introduced species and our ability to predict them.	Septemeber 2015 Rome, Italy
ESA Ecological Society of America Annual Meeting, <i>Oral Presentation:</i> Predictability of introduced species establishment.	August 2015 Baltimore, USA
ECCS European Conference on Complex Systems, <i>Oral Presentation:</i> Modelling the collapse of ecological communities.	September 2014 Lucca, Italy
INTECOL International Association for Ecology Conference, <i>Oral Presentation:</i> Estimating the environmental dependence of ecological parameters.	August 2013 London, UK
INTECOL International Association for Ecology Conference, <i>Oral Presentation:</i> Extinction rates in an experimental microbial aquatic community.	August 2013 London, UK
BES British Ecological Society Annual Meeting, Oral Presentation: Measuring the temperature dependence of population parameters.	December 2012 Birmingham, UK
ESA Ecological Society of America Annual Meeting, Oral Presentation: Predation effects on mean time to extinction under demographic stochasticity.	August 2012 Portland, USA

BES British Ecological Society Annual Meeting, Oral Presentation:
Understanding the effect of functional response on the mean time to extinction.

September 2011
Sheffield, UK

ESA Ecological Society of America Annual Meeting, Poster Presentation:
Effect of functional response to mean time to extinction.

August 2011
Austin, USA

ECCS European Conference on Complex Systems,
Oral Presentation: Population dynamics on complex food webs.

September 2010
Lisbon, Portugal

FURTHER TRAINING EXPERIENCE (CONFERENCES, WORKSHOPS AND SCHOOLS)

INTECOL International Association for Ecology Conference, Frontiers in Ecology: Science and Society.	28 August — 2 September 2022 Geneva, Switzerland
World Biodiversity Forum, co organized workshop: <i>Science for local transformation, with a pilot project on the island of Ithaca.</i>	26 June 2022 Davos, Switzerland
Bayesian Thinking in Ecology Workshop (Invited), Department of Mathematics, University of Zürich.	4 – 6 October 2021 Zurich, Switzerland
URPP Conference on Global Change and Biodiversity, Integrating the Impact of Earth and World Drivers Across Scales.	30 June – 4 July 2019 Ascona, Switzerland
Summer School: Stochastic Population Dynamics, NTNU, Norwegian University of Science and Technology.	1 – 8 September 2017 Trondheim, Norway
Zürich-Basel Plant Science Center Summer School, Understanding Risk and Resilience in Plant Systems.	29 May – 2 June 2017 Einsiedeln, Switzerland
USYS TdLab Winter School, Science Meets Practice.	9 – 12 January 2017 Wislikofen, Switzerland
Workshop: SPRED Synthesizing Predictability Research of Ecological Dynamics, iDiv, German Center for Integrative Biodiversity Research.	7 – 13 November 2016 Leipzig, Germany
MMEE 2015, Mathematical Models in Ecology and Evolution, College de France.	8 – 10 July 2015 Paris, France
ECO**2 Symposium: Ecology and Economics, London School of Economics.	8 – 10 September 2014 London, UK
Ramon Margalef Summer Colloquia, CSIC-ICM, Institute of Marine Sciences.	7 – 18 July 2014 Barcelona, Spain
Latin American eScience Workshp: Turing Data into Insight, Computer Sciences Department, Universidade de São Paulo.	13 – 16 May 2013 São Paulo, Brazil
2nd UNCCD Scientific Conference, worked as rapporteur for the Global Risk Forum of Davos.	9 – 12 April 2013 Bonn, Germany
Winter Graduate School in Ecological Theory, joint initiative of the University of Zürich and ETH.	3 – 9 February 2013 Ascona, Switzerland
Applied Bayesian Statistics School: Stochastic Modelling for Systems Biology, IMATI, Institute of Applied Mathematics and Information Technology.	3 – 7 September 2012 Pavia, Italy

Workshop: Stochastic Dynamics in Action,
ZIF, Zentrum für Interdisziplinäre Forschung.

21 – 25 May 2012
Bielefeld, Germany

Microsoft Research Ph.D. Summer School 2011,
Microsoft Research Headquarter.

27 June – 1 July 2011
Cambridge, UK

NetSci, International School and Conference on Network Science,
Hungarian Academy of Sciences.

6 – 10 June 2011
Budapest, Hungary

Sizemic Workshop: Body-Size and Ecosystem Dynamics,
Institute of Hydrobiology and Fisheries Science.

9 – 15 April 2011
Hamburg, Germany
